Best call clarity

Get reliable home phone service, with the best call clarity – so no word goes unheard.

12 popular calling features

Includes call waiting, 3-way calling, voicemail and Caller ID across multiple devices, so you know who's calling on your home phone, smartphone, tablet and on your TV.

XFINITY Connect app

Download the XFINITY Connect app and use your smartphone or tablet to easily stay connected on the go. You can check voicemail and email from anywhere and enjoy enhanced features like:

Readable Voicemail – Get home voicemail converted into text and sent instantly to email. Read it anytime, anywhere, in any order.

Unlimited Texting – Get unlimited texting on your WiFi-enabled mobile device by sending texts through the XFINITY Connect app.

You also get advanced call forwarding and can save on your wireless plans by connecting to XFINITY WiFi hotspots. All these features are available in English or Spanish through the Connect app.

Free Calling from Overseas – Traveling overseas? Save on your wireless plan with free calling to U.S. numbers when you connect to a WiFi hotspot.

Service (including 911/emergency services) may not function after an extended power outage. Call clarity claim based on March 2015 analysis of traditional phone service by Tektronix. Unlimited Talk & Text Requires download of the XFINITY Connect app. Standard data charges may apply. Check with your carrier.
