

Take services to go with XFINITY mobile apps.

Talk more, text more, share more.

Now streaming live TV, connecting with friends and paying bills is easier and more convenient.

XFINITY TV app

All your TV, all in one place with the XFINITY TV app. Stream live TV, XFINITY On Demand™, and your DVR library on any device at home or on the go. You can even download your DVR recordings to watch when you're offline.

Available to XFINITY® TV and X1 subscribers.

XFINITY Home app

It's never been easier to look after your home and family from anywhere. With the XFINITY Home app, you can arm and disarm your system, get real-time text alerts, view live video feeds and adjust lighting – whenever and wherever. Available in Spanish, too.

Available to XFINITY Home subscribers.

XFINITY Connect app

Stay connected with the XFINITY Connect app to get the best out of your Internet and home phone service at home and on the go. Enjoy unlimited talk and text, Caller ID across multiple screens and Readable Voicemail. Available in Spanish, too.

Available to XFINITY Voice and Internet subscribers.

XFINITY My Account app

You may never need to call XFINITY. With the My Account app, you can check your connection status, get troubleshooting help, check your balance and make bill payments right from your mobile device.

Restrictions apply. Receiving shared content to your TV is limited to X1 customers with a DVR-compatible set-top box. Standard data charges apply to app download and usage. Check with your carrier. Not all Android™ devices are compatible with the XFINITY apps. Not all apps are available with Google Play Store.

XFINITY WiFi app

Locate and get directions to millions of XFINITY WiFi hotspots nationwide.

Plus, enjoy enhanced security features at thousands of select hotspots.

Available to XFINITY Internet Performance subscribers.
