

We're not heading into the future, we're making it.

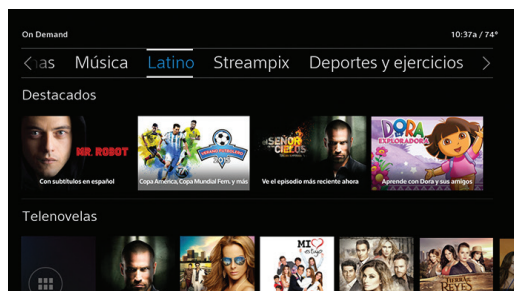

“What’s new” isn’t just a friendly greeting, it’s what we do.

At XFINITY®, we’re always innovating to provide customers with more cool features that enhance the way they enjoy their favorite entertainment. Take a look at the newest features we’re excited to share with XFINITY customers.

Kids Zone. Where kids rule (the remote).

Customize Kids Zone with age filters, themes, networks and more to let children easily and safely navigate age-appropriate shows without supervision.

Bilingual? So is your TV.

From the channel guide to the system settings, now you can navigate the main menu in English or Spanish using the first-ever bilingual entertainment experience.

Say it and see it.

Finding, watching and recording shows and movies just got easier. With the voice remote for X1, you can tell your remote what you’re looking for. Just press the microphone button and speak.

Call more countries than ever at no additional cost with XFINITY Voice Unlimited.

Say hello in more languages and save money. XFINITY Voice Unlimited service now includes international calling to over half the world.

America's fastest Internet? Speedtest.net gave us the checkered flag.

Our first-place ranking in the speed test means that you can stream HD movies and TV shows, download photos and music and game online anywhere in the house, on any device – all on America's fastest Internet.

Based on the top 10% download speeds of Internet service providers reported at Speedtest.net/awards/us. Actual speeds vary. Speedtest is a trademark of Ookla, LLC. Used under license. Not available in Kansas City, MO; Provo, UT; Chattanooga, TN; or Vermont.
